INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. Sections 1.97 through 1.99, Applicant wishes to make known to the Patent and Trademark Office the articles and patents set forth on the attached form PTO-1449. Copies of the following references are enclosed (the remaining references were previously submitted under the parent case, Serial No. 724,311 on July 23, 1985):

(1) D.S. Anson et al., "Expression of Active Human Clotting Factor IX from Recombinant DNA Clones in Mammalian Cells", Nature 315:683-685, 1985.

(2) S. Busby et al., "Expression of Active Human Factor IX in Transfected Cells", Nature 316:271-273, 1985.

Although the aforesaid references are made known to the Patent and Trademark Office in compliance with Applicant's

duty to disclose all information he is aware of which is believed relevant to the examination of the above-identified application, Applicant believes that his invention is patentable.

Please acknowledge receipt of this Disclosure Statement and kindly make the cited references and publications of record in the above-identified application.

Respectfully submitted,
Frederick S. Hagen et al.
